ENVAERO™

AIR CLEANING CARTRIDGE

Envaero™ residential air filters offer a smart, pleated design that combines an increased filtration surface area with an allowance for maximum air flow that reduces energy costs.

FEATURES

- Available in 3" to 6" in depth
- Sturdy two-piece frame construction
- Available in MERV 8, 11, 13 and Odor Ban carbon synthetic media
- Replacements available for 27 different brands including: Amana, American Standard, Aprilaire, Bryant, Carrier, Coleman, Comfort Clean, Electro-Air, Emerson, Fast, Five Seasons, General Aire, Goodman, Honeywell, Janitrol, Lennox, Nordyne, Rheem, **Betrig**, Ruud, Skuttle, Space-gard, Totaline, Trane, Trion, Ultravation, White Rogers, and York

ADVANTAGES

- Extends the life of the HVAC unit by decreasing pressure drop
- Extensive cross-reference library contains filters to fit almost any size
- Pleated design increases system's energy efficiency and reduces overall expense
- Designed to retrofit existing residential ducted air filter housings
- Comes pre-assembled for easy installation
